Calanova gathers students from all nationalities so they can share this fun experience. All the activities are done in groups to encourage the students to integrate, to exchange languages and experiences. Students over 14 years will be allowed to leave the facilities during this time having always signed our entry/exit form and having a previous authorization form which should be attached with the inscription.

TOURS AND EXCURSIONS

One of these nights the instructors will give a list of restaurants to the students so they can choose where to go. This night will not be included since the price includes one night out per week.

We also have day excursions to Villedemosa or Soller and to beautiful beaches of the island such as Es trenc and Illetes. Half day tours are also included to the old town in Palma and places of interest where they can also buy a souvenir to remember their stay in Mallorca!
